July 2014 Newsletter

Building Work

We have commenced work to improve our premises. We apologise for any inconvenience caused. We will continue to provide our full range of services.

If you have any questions or queries please don't hesitate to talk to us.

Repeat Prescriptions

While building work to improve our premises is undertaken, we request that at least 24 hours' notice is given for small animal repeat prescriptions.

You can request medication in person or by telephone during office hours or alternatively send an email to reception@steffanvets.co.uk

Small Holders Training

We are looking to introduce training for small holders to share our knowledge and increase the welfare of your animals. Some ideas we currently have include cattle, sheep, goats, chickens and camelids. Courses could be made up with handling, worming, vaccinations, foot care, injecting, fly control, neonatal (lamb, calf etc.) care, lambing, calving, and more.

This is likely to be in the form of workshops but with a possibility of one to one training as well. If you would be interested in participating in a course please let us know, either phone during office hours or email reception@steffanvets.co.uk.

Milbemax Cat & Dog Worming Tablets

Milbemax tablets are currently on special offer: buy 3 tablets and get 1 tablet free

We recommend worming cats and dogs which are over 6 months of age, every 3 months. Offer is available until 31st July 2014, full details available in the Office.

Lampeter Show 8th August 2014

We will be having a stand at the show again this year. Please drop in to view our displays and have a chat over a cuppa.
