

September 2010 Newsletter

Lampeter Show

Thank you for your support at the show.

Through the lucky dip and donations we raised £134.28 for Parkinson's UK.

Enzovax Supply 2010

Intervet/Schering Plough have not been able to produce any Enzovax this year.

We have an alternative to Enzovax, "Cevac Chlamydia" in stock and ready for you. Cevac Chlamydia is as good as, and compatible with, Enzovax.

Please contact the Office to place your order.

Pet Smile Month 2010

September is Pet Smile Month and we are participating in this National incentive. If you would like a free dental check up for your pet please make an appointment with the Receptionists.

We have Pedigree Dentastix which will be given out free at dental checks and vaccinations while stocks last.

Toxovax[®] Supply 2010

Intervet/Schering Plough have now run out of Toxovax and they are very unlikely to be able to produce any further supplies this year.

If you would like to discuss this situation with us and alternative prevention please contact us, or call into the Office.

Sheep Worming Faecal Egg Counting (FEC) Clinic 14th September 1pm to 4pm

Bring in faeces samples (10 from each Group of lambs) and we will be able to examine the faeces and give you a faecal egg count and advise about worming now and in the future.

Congratulations!

Rhian married Rhys Williams, Bayliau, Cellan on 1st September. We wish them all the best for their future together.
